You may access, acquire, and use the materials downloaded from A-StockPhoto.com subject to these Terms and Conditions in the following manner:

### 2. Background of Agreement

(a) By selecting license option, downloading images or any other material or otherwise signifying your acceptance, you accept this Agreement either for yourself or on behalf of your employer or the entity that is identified as the member account holder, and agree to be bound by its provisions. If you are accepting on behalf of your employer or the entity that is the member account holder, you represent and warrant that you have full legal authority to bind your employer or such other entity. If you do not have such authority or you do not accept or agree with these terms, do not accept the Agreement and do not download the Content.

(b) In this Agreement: (i) "you" or the "Client" means you or, if you are accepting on behalf of your employer or member account entity, then "you" means that employer or entity and affiliates; (ii) "A-StockPhoto.com" or "we" means, operator of the Site; and (iii) "Content" or material means any photographic image, illustration, animation, Flash file, film or video footage, visual representation generated optically, electronically, digitally or by any other means or in any media or other material that you are downloading from the Site, together with any accompanying material.

(c) This Agreement is accepted by choosing to enter into either our standard royalty-free content license (the "Standard License") or an extended license where one or more of the restrictions of the Standard License are amended for your proposed use of the Content (an "Extended License"). When you select content for download you will have the opportunity to select a "Standard License", "Extended License" or an "Exclusive License". The availability of the Optional Licenses are dependent upon the Content and whether the supplier of the Content has opted-in to the extended, and exclusive License options. If you do not specify an Extended License or there is no Extended License option for the Content you have requested, your download of Content will be subject to the Standard License.

(d) The "sharing" on social networks option of any watermarked preview image gives you no license to modify, crop, remove watermark or in any other way alter the image. Shared images must be directly linked to the appropriate page at A-StockPhoto.com and/or including the following linked credit line "Image: © A-StockPhoto.com".

### 3. Standard Royalty Free License Terms

We hereby grant to you a perpetual, non-exclusive, non-transferable worldwide license to use the Content for the Permitted Uses (as defined below). Unless the activity or use is a Permitted Use, you cannot do it. All other rights in and to the Content, including, without limitation, all copyright and other intellectual property rights relating to the Content, are retained by A-StockPhoto.com or the supplier of the Content, as the case may be.

#### 4. Permitted Standard Royalty Free License Uses

(a) You may only use the Content for those advertising, promotional and other specified purposes which are Permitted Uses (as defined below). For clarity, you may not use the Content in products for resale, license or other distribution, unless (i) the proposed use is allowable under an Extended License which is available for the Content; or (ii) if the original Content has been fundamentally modified or transformed sufficiently that it constitutes an original work entitling the author or artist to copyright protection under applicable law, and here the primary value of such transformed or derivative work is not recognizable as the Content nor is the Content capable of being downloaded, extracted or accessed by a third party as a stand-alone file (satisfaction of these conditions will constitute the work as a “Permitted Derivative Work” for the purposes of this Agreement). For example, you cannot superficially modify the Content, print it on a t-shirt, mug, poster, template or other item, and sell it to others for consumption, reproduction or re-sale. These uses will not be permitted as or constitute Permitted Derivative Works. If there is any doubt that a work is a Permitted Derivative Work, you should either obtain an Extended License or contact A-StockPhoto.com for guidance. Any use of the Content that is not a Permitted Use shall constitute infringement of copyright.

(b) Seat Restrictions. Only you are permitted to use the Content, although you may transfer files containing Content or Permitted Derivative Works to your clients, printers, or ISP for the purpose of reproduction for Permitted Uses, provided that such parties shall have no further or additional rights to use the Content and cannot access or extract it from any file you provide.

You may install and use the Content in only one location at a time, although subject to the Prohibited Uses and the other terms of this Agreement, you are entitled to utilize the Permitted Uses an unlimited number of times. You may physically transfer the Content and its archives from one location to another, in which case you may use the Content at the new location instead. If you require the Content to be in more than one location or accessible by more than one person, you must download the Content from the Site for each such use or obtain an Extended License for a multi-seat license for the Content. You may make one (1) copy of the Content solely for back-up purposes, and you must reproduce all proprietary notices on this single back-up copy.

(c) Use of Editorial Images – Limitation of Liability.

Users downloading images that are not model or property released and contain depictions of models or property meant for editorial use, assume full responsibility for the use of the image(s). The use of editorial images may require additional rights that A-StockPhoto.com will not be able to provide. You should consult with your legal counsel to be sure your use is legal. Editorial images are not model or property released. By downloading any image you acknowledge that you understand and agree to all of these terms and assume full liability for your use of the image(s) and agree to hold A-StockPhoto.com harmless should any liability arise.
